

Institutional Credit-by-Exam Credit Awarded Through Spring Term 2024

General Information

Students can earn credit for courses through Institutional Credit-by-Exam (iCBE). The chart below includes the courses that have been used for iCBE purposes and the campus where the credit was awarded. However, the courses are not limited to those listed. Students should contact the department chair responsible for the course they want to earn credit through this method.

For more Information about iCBE including the process of how to apply for credit based on this prior learning, please visit the websites listed below.
