# Honorlock

How to Prepare for Your Upcoming Honorlock Exam
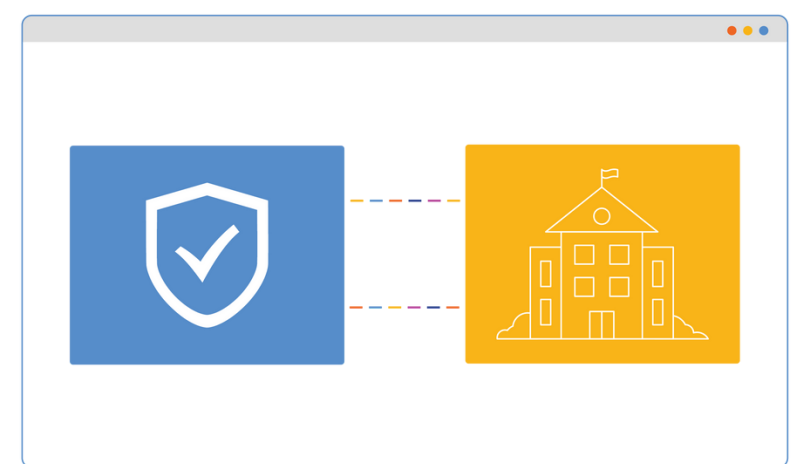

Four Steps to Make Sure You're Prepared

1. Download the Chrome Browser

To get started with your exam, you need a functioning webcam, microphone, and the Google Chrome browser
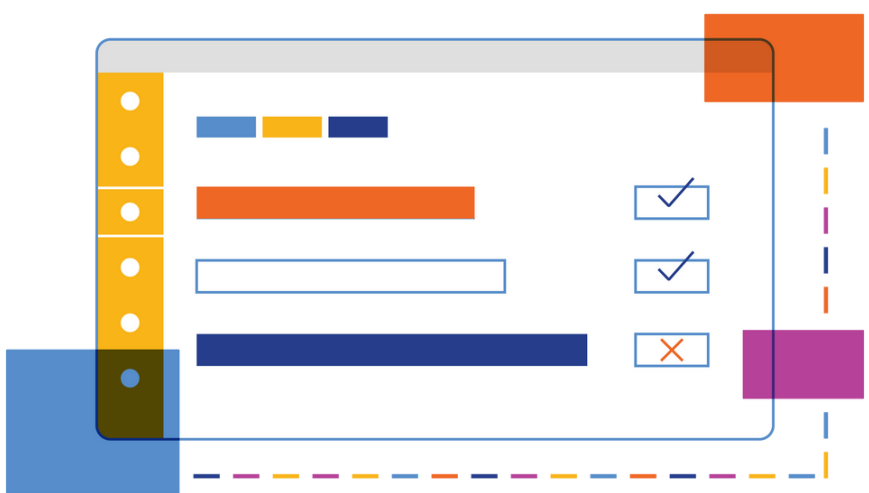

2. Download the Chrome Extension

Go to honorlock.com/install to download the extension

3. Ensure your Device Meets the Minimum System Requirements

Navigate to the Honorlock support page to run a system check: honorlock.com/support

4. Familiarize Yourself with Available Resources

Honorlock's Knowledge Base provides helpful resources you can reference at any time: https://honorlock.kb.help/
